Indoor & Outdoor
Furniture

Indoor

Outdoor

Tired furniture can date any room. Furniture is usually the main focal point of any home. Your choice of furniture can be the main attraction of your space, so, it is crucial that you choose the right style for your requirements. If you are looking for a sleek contemporary minimalist design or a warm, charming traditional look then here at Mimosa you will find the right furniture to transform your home.

So whatever your taste, style or budget, whether you fancy leather, fabric or weave or a combination of all, we have an extensive range where you will always find what you are looking for.

We supply home, hotels and restaurants with quality furniture designed for comfort and style.
