Frequently Asked Questions |

- What is the furniture made from?

Simulated bamboo furniture is made from recycled plastic and is environmentally friendly.

- Is it a durable product?

All furniture supplied by Mimosa Furnitures comes with a 5 year warranty. In many restaurants, homes and hotels customers have had usage for over 15 years.

- Are these outdoor or indoor products?

These products can be used for both, as tastes differ individually.

- What is a 5 year warranty?

During first 5 years of purchasing this product, if due to manufacturing default with the product it will be replaced for free.

- Can it be made to my specifications?

Yes as little as one piece can be made to your specification.
